2025 New Faces, Same Faith

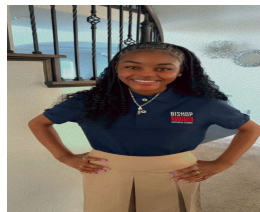

We're excited to introduce some amazing new faces to join our SWAG family! Each of the following young people bring their own unique gifts, interests, and energy—and we can't wait to see how God continues to grow them.

Meet Skyler & Sommer "TWIN SWAG"

Skyler is full of personality and confidence! She enjoys debating (yes—she'll keep you on your toes), loves shopping and traveling, and shines through cheering and dancing. When it's time to slow down, Skyler enjoys getting lost in a good book. She brings bold energy and great conversation wherever she goes! Look for Skyler in the choir!

Sommer is a wonderful mix of creativity and skill. She enjoys playing volleyball, working on computers, and exploring new places through traveling. She also loves reading and expressing herself through dance. Sommer's curiosity and focus make her a great addition to the SWAG family!

Meet Savannah "Fresh Faith, Fresh SWAG"

Savannah's heart is rooted in family—she loves hanging out with her sisters and spending quality time with those she loves. She enjoys playing with her dolls, doing hair, dancing, and reading. Savannah's sweet spirit and joyful personality bring warmth and light to everyone around her.
